

LINDA VETTRUS-NICHOLS

As a Book in 30-Days Coach, Linda Vettrus-Nichols is an in charge, innovative and creative, sassy-genius. She is an idiosyncratic oxymoron, a sophisticated refinement of enlightenment, continually joining together divergent peoples and cultures, leading them to Inner Peace that will eventually bring us all to World Peace. Linda believes that it is important to walk at the level of the Soul.

FULLY EMBODIED WOMAN

Author, speaker, and spiritual thought leader Linda Vettrus-Nichols brings her 65+ years of living and awakenings to life and business into a new era. A great read for entrepreneurs and leaders as they aspire to the qualities set forth in this book: freedom, strength, presence, and being seen for who they are at their core. This empowering book has everything needed to navigate the entrepreneurial waters. Linda's message has evolved into a movement to unite women in love, nurture, and understanding. Linda empowers us to embody our souls. Get out of your head and into your heart.

SUGGESTED QUESTIONS

Linda in your book you talk about embodiment. Can you tell us more about that?

What happens when we connect with the divine within?

Your book talks about resentment. From where?

How do you help your clients publish a book in 30 days?

From the feedback you have received, what is the overarching impact of your book?

What's the best way for people to get a copy?
